

Remarks/Arguments

In the response filed December 4, 2006, Applicant amended claim 1 and added new claims 4-8. Since previously pending claims 4-13 were canceled in the response to Restriction Requirement filed May 3, 2006, new claims 4-8 should have been numbered 14-18. In the current Amendments to the Claims, Applicant has corrected the numbering of the newly added claims, and has indicated that claims 4-13 have been canceled.

No new matter has been added as a result of these amendments.
